according to the preponderance of life-experience evidence  
 of tens of millions of lives - - over many thousands of years  
 which Our Sages have accumulated, distilled, and redacted.

**Halacha** - built upon amazingly relevant reorganizations of all human knowledge -  
 respectively reflecting the maturation of mankind’s conceptualizations  
 is successively exemplified by revolutionary easy-to-use compendiums  
 Including: Mishneh Torah upon The Mishnah upon Torat Moshe.

 (in ALL of their normal variations).

**Halacha** - in addition to any Religious connotation;

- appropriately scaled to the resolutions of  
the individual, the couple, the home, the extended families,  
relationships, community, and trans-generational programs.

emotional, and physical transparency

that has no known equal

among our fellow ancient indigeneous proto-nations,  
nor among the Religious-Politik dogma-doctrine actualizations  
observable among the more modern "Cultures"

maturing forward beyond their interim instincts

of venerating poverty, suffering, asceticism, etc.  
via ? oppression, violence, war, domination, etc.
